E-JUST Student Summer Program 2023

الجامعة المصرية اليابانية للعلوم و التكنولوجيا
エジプト日本科学技術大学
EGYPT-JAPAN UNIVERSITY OF SCIENCE AND TECHNOLOGY

Introduction:

Egypt-Japan University of Science and Technology (E-JUST) is a research university with an ambition to cultivate an academic environment and become a benchmark for the Egyptian and African countries in education. It was first established as a bilateral agreement project between the Egyptian and Japanese governments in May 2009 and later in 2010 it was ready to accept its first batch of students and make the dream a reality. There is a strong relationship between both governments where they both divide the cooperation cohesively to ensure positive results. In light of E-JUST's aspirations towards expansion it's international activities, the Regional and International Affairs Office (RIA) at E-JUST with the cooperation of the Liberal Arts and Culture Center (LACC) is organizing E-JUST's summer program for international students. It is an opportunity for foreign students to experience the different aspects of the Egyptian culture, language, heritage and integrate with E-JUST's students and make lifelong friendships.

Program Objectives

- To deepen the understanding of Egyptian culture, Heritage and Society.
- To learn Egyptian Colloquial Arabic as a foreign language
- To exchange knowledge and network with peer students from different backgrounds, and build a good relationship with them.
